Sir,

I have the honor to forward herewith Resolution No. 9. passed at the last ordinary meeting of the Sanitary Boards deciding that in the Coming Official year 1902-03 a sum of Rs. 10,000-"-" should be allotted to improvements to the Coregaum Shandy enclosure such as

the roofing of the stalls &c and the gradual Conversion of the enclosures into a regular Daily Market place as well as a weekly Shandy.

In this Connection I would point out that Government Considered the Boards estimate of Receipts from Shandy fees of Rs 6000/- for the Coming year as over sanguine, and Consequently reduced the estimate to 4000/- in the sanctioned Budget estimate. As a matter of fact, the Board's estimate was only fixed as low as 6000/-, as it was not known, when the estimates were framed, how many months longer the Board would have to wait before the enclosure was made available by the D. P. W. for the use of the Public.

The enclosure was handed over

partially some 3 months ago. In that time, without in any way excessively taxing the people, who are perfectly content with the rates levied, the income of the Board alone for 3 months from Shandy fees has been 5954/

It may therefore be very reasonably expected that the realizations will be nearer 20,000/ than 6000 from this source during the next 12 months.

The realizations from slaughter houses, and Coolly Colonies are also far beyond our expectations. A Supplemental Budget estimate revising this and other items is under preparation.

In the meantime I would ask Government to sanction the allotment of the 10,000/ for market place & improvements as desired by the Board.

I have the honor to be
Sir,
Your most obedient servant.
